

LOCAL ENTERPRISE OFFICE TIPPERARY WILL TAILOR SUPPORTS FOR FIRMS SEEKING TO MAXIMISE PUBLIC PROCUREMENT OPPORTUNITIES

Public contracts represent an important source of business for many Tipperary Companies.

Public bodies on the island of Ireland spend €12 billion on goods, works and services and the wider European market is worth €2 trillion.

At national level the Office of Government Procurement (OGP) has introduced several measures to provide SMEs with the knowledge and skills to successfully bid for public contracts and work closely with InterTradeIreland on Go-2-Tender Workshops for the smaller firm www.intertradeireland.com A series of videos and case studies explaining the procurement process have also been published on https://www.youtube.com/channel/UC_rcfUmgi3XIOFPM9JerKEw

The Local Enterprise Office can provide ongoing assistance such as Mentoring, Training, LEAN and contacts (for possible collaboration) for firms operating in Tipperary that may be affected by central procurement, Framework Agreements and related issues. Training can be provided on maximising the eTenders procurement process to access potential Public Sector customers. If you would like to avail of tailored support in the area of public procurement why not contact the:
