Ger O'Toole is the Thurles Branch Manager and a Senior Financial Advisor with Campion Insurance which is regulated by the Central Bank of Ireland.

Campion Insurance are delighted to partner with Zurich Life and the Thurles Chamber to host this lunchtime briefing. With ever increasing changes to Company Pensions and Employee Benefits, this is a very important time for companies to review any existing pensions and plan for the expected compulsory inclusion of all employees to a company pension.

Ger is an expert in providing advice on Company Pensions & Employee Benefits and hopes that you find the content of this briefing beneficial to your business.

Niall Fitzgerald, Head of Retirement Solutions at Zurich, will consider the implications of the proposed introduction of an auto enrolment pension scheme for the approximately 60% of workers in the private sector currently without workplace pension coverage. Widely welcomed, auto-enrolment will hopefully set Ireland on the road to improved standards of living in retirement.

Ian Slattery, Investment Consultant at Zurich, will discuss the importance of good governance and investment performance in pension schemes and how these factors lead to best outcomes for individual pension scheme members. There will also be a discussion on the recent volatility in investment markets and the outlook for 2019.
